

Wind the Bobbin Up

Wind the bobbin up,
Wind the bobbin up.
Pull, pull,
And clap your hands.

Wind it back again,
Wind it back again.
Pull, pull,
And clap your hands.

Point to the ceiling,
Point to the floor,
Point to the window,
Point to the door.

Clap your hands together,
One, Two, Three!
Do a roly-poly,
Put your hands on your knees.
