### There Was a King Met a King

There was a king met a king  
In a narrow lane.  
Said the king to the king,  
"Where have you been?"

"I have been a-hunting  
The buck and the doe."  
"Will you lend me your dog?"  
"Yes, I will do so.

"Call upon him, call upon him."  
"What is his name?"  
"I have told you twice  
And I won't tell you again."

(Answer over the page.)
