

There Was a Man, He Went Mad

There was a man, he went mad.
He jumped into a paper bag.

The paper bag was too narrow,
He jumped into a wheelbarrow.

The wheelbarrow took on fire,
He jumped into a cow byre.

The cow byre was too nasty,
He jumped into an apple pasty.

The apple pasty was too sweet,
He jumped into Cheter-le-Street.

Chester-le-Street was full of stones,
He fell down and broke his bones.
