

### There Was an Owl Lived in an Oak

There was an owl lived in an oak,  
Wisky, wasky, weedle,  
And every word he ever spoke  
Was, "Fiddle, faddle, feedle."

A gunner chanced to come that way,  
Wisky, wasky, weedle.  
Says he, "I'll shoot you, silly bird."  
Fiddle, faddle, feedle.
